³ This category is added as a guide only. If you have this expense, the percentage shown must be deducted from other budget categories.

⁴ This category is used when surplus income is received. This would be kept in the checking account to be used within a few weeks; otherwise, it should be transferred to an allocated category.

* In some cases earned income credit will apply. It may be possible to increase the number of deductions to lessen the amount of tax paid per month. Review the last tax return for specific information. All guideline tax percentages do not reflect the earned income credit.
